

**Eureka Natural Foods** is excited to announce that we are looking to hire a **Wellness Manager** for our flag ship Eureka store! This is a very rare opportunity to merge your passion with your profession while working for one of the largest, fastest growing local businesses in Humboldt County.

Our Wellness Manager is responsible for inspiring not only our staff and customers, but our community. Prospective hires should have a history of working in the supplement industry, retail or sales management experience, exceedingly strong customer service skills and the ability to inspire and lead others. **This is a career opportunity** that offers as much as it demands, including: **medical, dental and vision plans, retirement plans**, vacation accrual, sick pay, competitive wages, consistent scheduling and most importantly, an **amazing work place environment!**

If you know of any individuals who may fit this description and who would have an interest in applying with our store, please forward them a copy of our attached job description.

Thank you for being a valued part of our continued success and YOUR health,

Suzanne Littlefield  
VP of Wellness and Lifestyle,
